17.120 Agenda Item 4: Planning Application 17/01933/TREE - Church of The Holy Cross

The Chairman confirmed that the members of the Council had had the opportunity to review the documentation associated with this application for works to certain trees in the churchyard covered by tree preservation orders, namely:

T1 Fastigate Yew, removal of mis-shapen limb in lower crown;
T2 Horse chestnut: crown lift to 5 metres over road;
T3 Horse chestnut: crown lift to 5 metres over road.

After discussion it was proposed by Mr Griffith, seconded by Mr Fusco and carried unanimously that the works be recommended for approval as the proposals had resulted from the recommendation made to Yelling Parochial Church Council, (which has the devolved responsibility for the day-to-day management of the Church and churchyard), by the Church's architect to secure advice from tree surgeons as to the safety and condition of the trees in the churchyard and the works are intended to prevent the possibility of damage from adverse weather conditions and address any potential safety concerns that may arise for users of the

churchyard, and vehicular and pedestrian traffic using the High Street through the village.

17.121 Agenda Item 5: : Any other business

None

17.122 The meeting closed at 18.45.
